

§ 2636.306

such areas as law, insurance, medicine, architecture, financial services and accounting. A covered noncareer employee who is uncertain whether a particular field of endeavor is a profession which involves a fiduciary relationship may request an advisory opinion under § 2636.103.

Example 1. In view of the standards of the profession which require a licensed real estate broker to act in the best interests of his clients, the selling of real estate by a licensed broker involves the practice of a profession involving a fiduciary relationship.

Example 2. A covered noncareer employee may receive the customary fee for serving as the executor of his mother's estate, provided he does not violate the applicable limitation on the amount of outside earned income he may receive. Although the executor of an estate has fiduciary obligations, serving as an executor in these circumstances does not involve the practice of a profession and, therefore, is not prohibited. He could not, however, serve for compensation as attorney for the estate.

(b) *Definition.* For purposes of this section "teaching" means any activity that involves oral presentation or personal interaction, the primary function of which is to instruct or otherwise impart knowledge or skill. In addition, it shall set forth the terms of the compensation arrangement and identify the source of the payment. The request shall be accompanied by any contract or employment agreement and any literature describing, publicizing or otherwise promoting the class, classes or course.

(d) *Standard for authorization.* Compensated teaching may be approved by the designated agency ethics official only when:

(2) The employee's receipt of compensation does not violate any of the limitations and prohibitions on honoraria, compensation or outside earned income contained in this part; and

(3) Neither the teaching activity nor the employee's receipt of compensation therefor will violate applicable standards of conduct or any statute or regulation related to conflicts of interests.

(e) *Determination and authorization.* The determination by the designated agency ethics official to grant or deny
